AlmaChat

Good friends, no borders.

We are one humanity

Chúng ta là một nhân loại · 我们同属一个人类大家庭 · 私たちはひとつの人類

What we believe

Language should never stand between friends

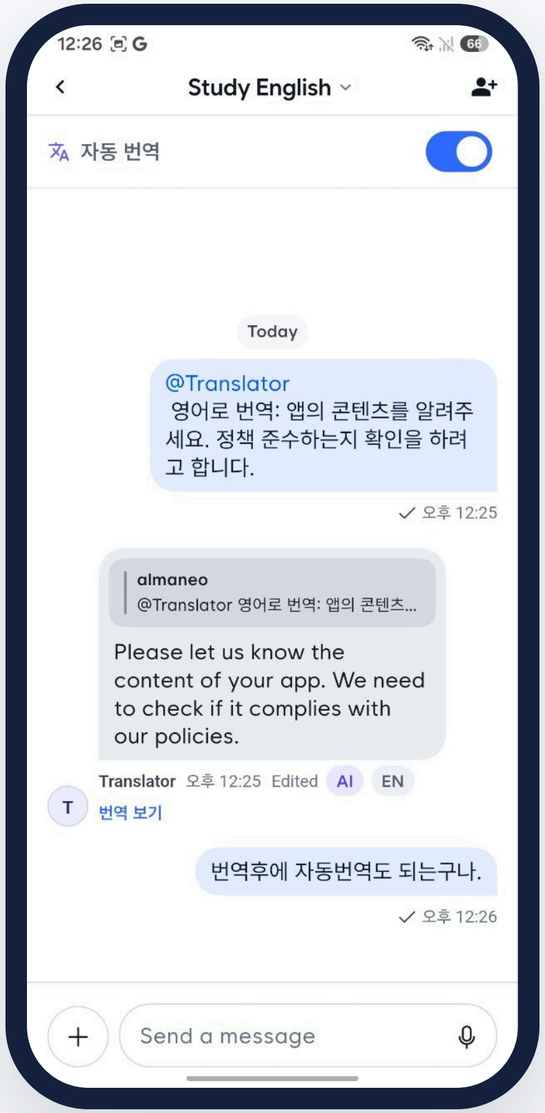

When we share our cultures beyond the walls of language, we are one humanity.

Translated chat

A chat where language is no barrier

What you write appears in your friend's language, and theirs in yours. The original is one tap away.

- Auto-translation across 20 languages
- App in 5 languages — Korean, English, Vietnamese, Chinese, Japanese
- 1:1 chats, channels, or join with an invite code

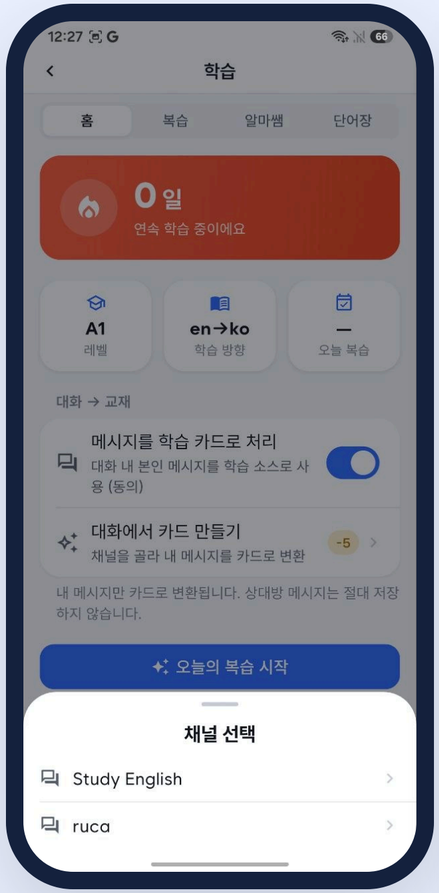

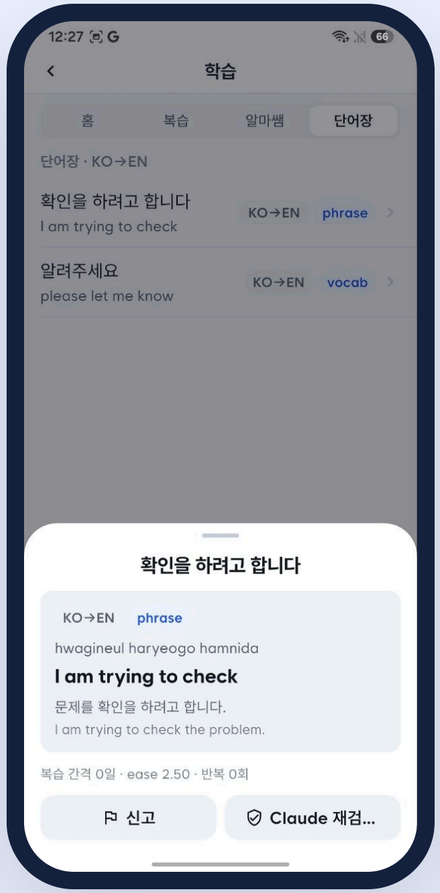

Learn by chatting

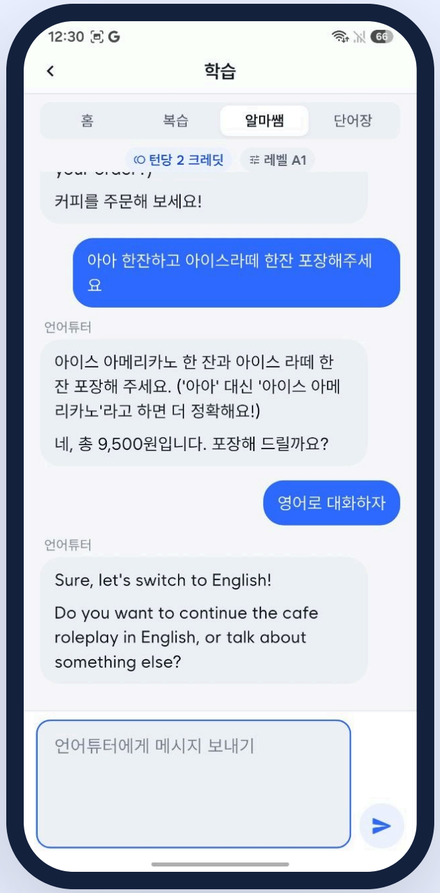

Your conversations become your lessons

Turn phrases from your chats into study cards and review them with spaced repetition.

- Only your own messages become cards — other people's are never stored
- Daily review — see it again just before you forget
- AlmaTutor — from ordering coffee to business talk, with gentle corrections

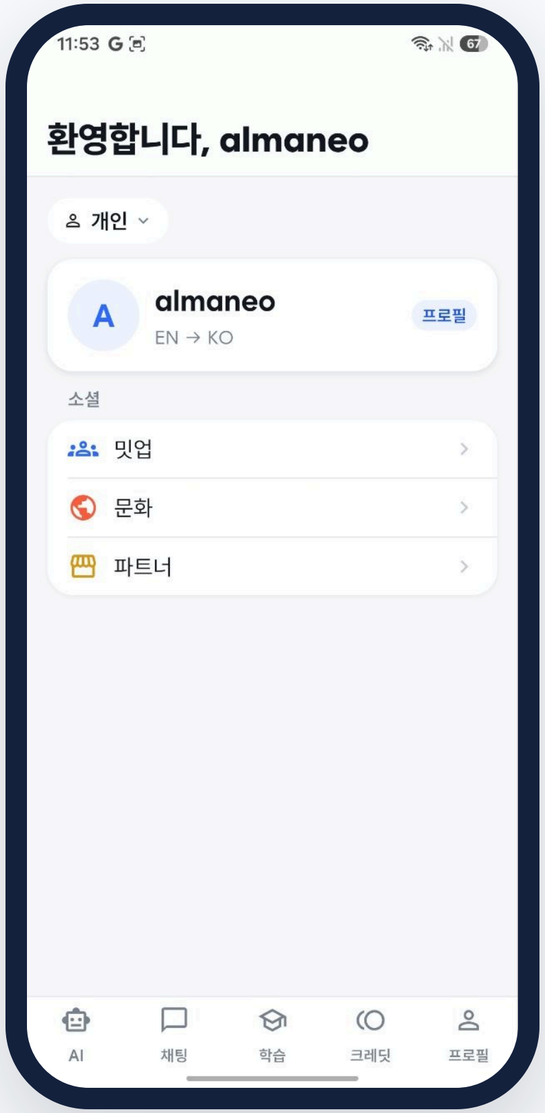

Cultural exchange

Meet people.
Share cultures.

A global community where language is no barrier to friendship — meetups and culture quizzes in one place.

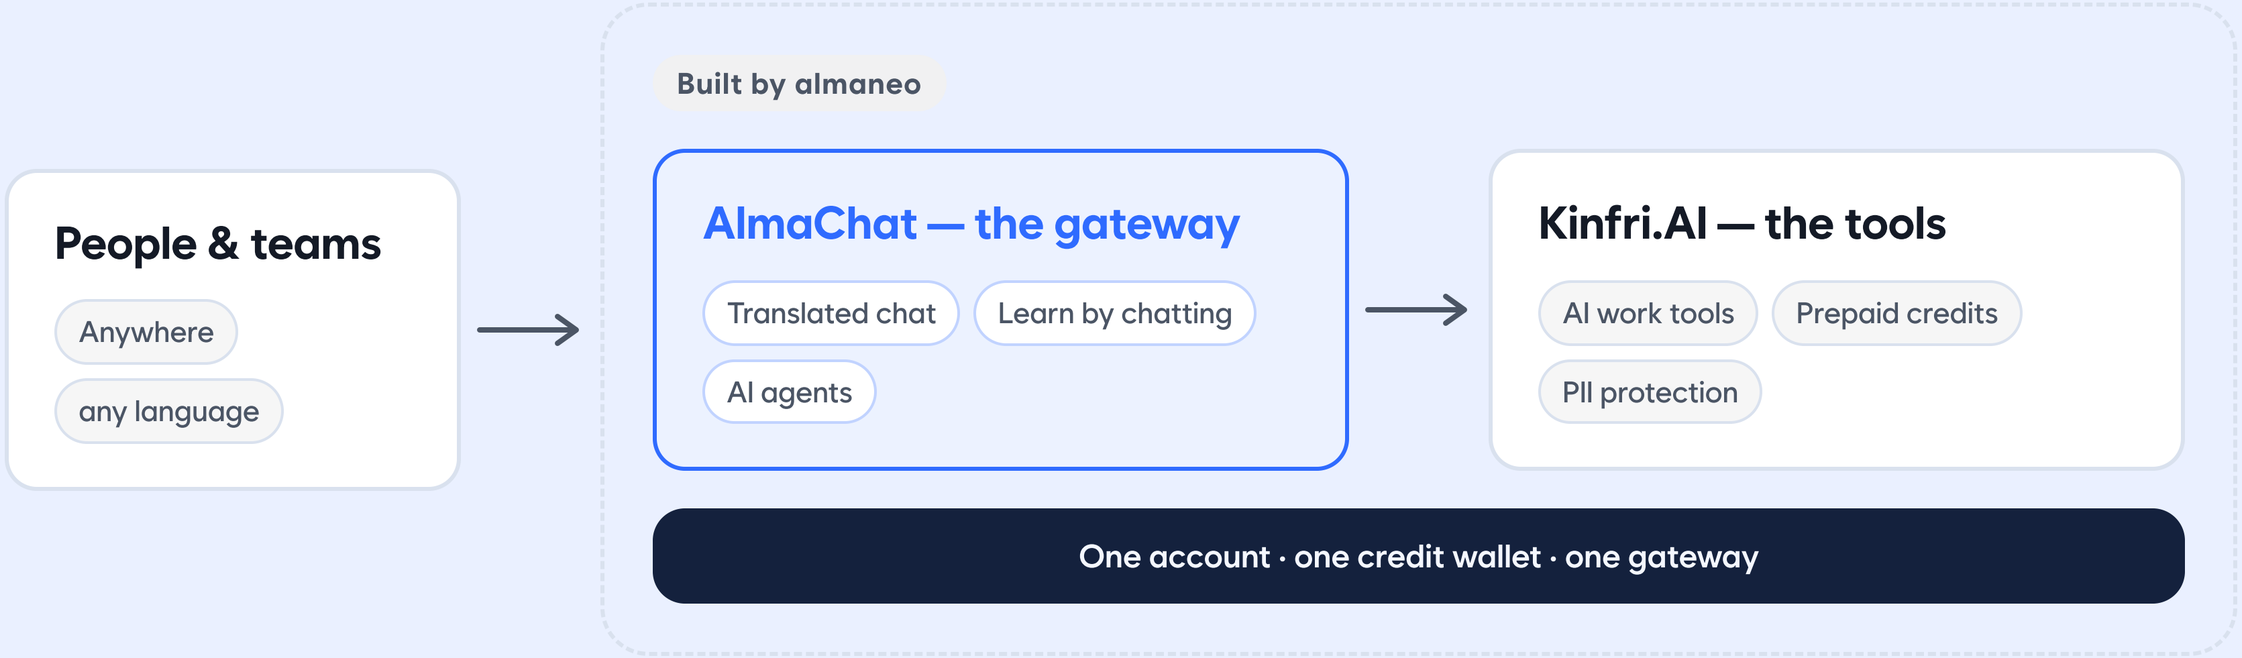

- Meetups — host one or join one
- Culture quizzes — pick a country, pass the quiz, earn credits

Powered by Kinfri.AI

AI agents inside your chats

The AI agents in AlmaChat run on Kinfri.AI.

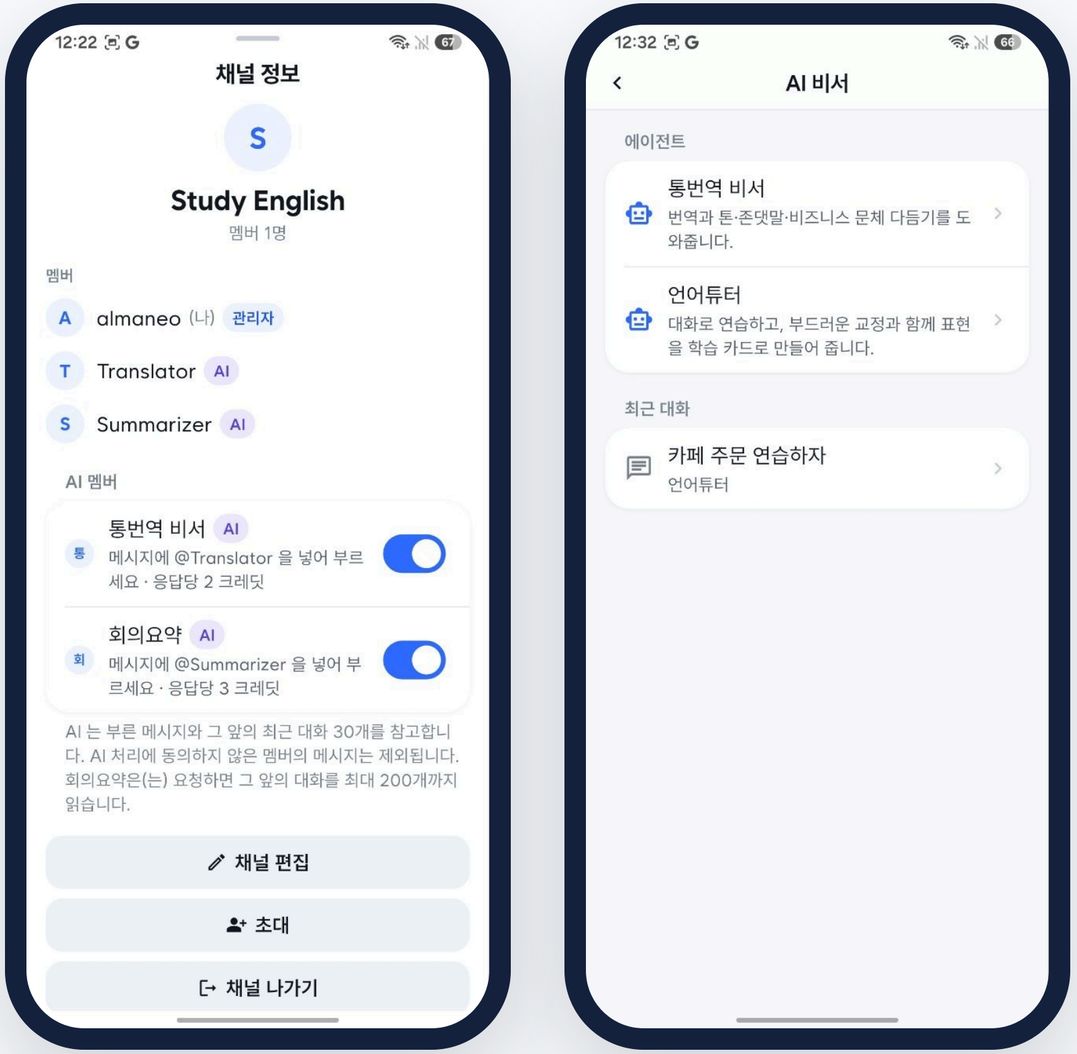

AI agents

One @mention brings AI into the conversation

AI members reply in the channel, and everyone reads it in their own language. Or chat one-on-one in the AI tab.

- @Translator — translation, tone and politeness
- @Summarizer — turns a channel discussion into decisions and to-dos
- AlmaTutor — one-on-one conversation practice
- Whoever called it can stop a reply at any moment

AlmaChat at work

Free for you. The company wallet for work.

Mode	How it works	Credits
Personal	Free app · watch ads to earn credits	5,000 on sign-up · 10 per ad (10 a day)
Work	Connect your company's Kinfri.AI workspace	Charged to the workspace KRW wallet
Next	Kinfri.AI work tools as AlmaChat agents	The same workspace wallet

Some AI features use credits. 'Next' is a plan and may change.

Safety

A community where everyone feels safe

01

Report and block

Report or block anyone who makes you uncomfortable, right away.

02

Automated moderation

Messages are checked automatically, and harmful ones are masked or blocked.

03

Youth protection

For ages 13 and up, with a youth protection policy in place.

04

AI only with consent

Messages from members who have not agreed to AI processing are never sent to the AI.
